

Church Hall Introduction

Welcome to St Mary's Church Hall

The Hall is a community resource that can be booked for private functions, club meetings, or other activities. In addition to the main hall, which has a stage, there is an adjoining meeting room and a kitchen. The booking costs depend on the type of activity and the range of facilities required. The table, below, sets out the costs for the use of the various facilities. Voluntary organisations and registered charitable organisations receive a 20 per cent reduction in these costs.

Please note that the Hall is used by St Mary's School and by a number of church and community groups throughout the week. There are, therefore, some limitations on availability. The calendar (on the website) sets out current bookings.

Access and parking

The Hall is located behind the Church. There is accessible pedestrian access from Smithy Loan or through the Church gate. Public parking is available on Perth Road. Parking at the Hall, accessed by way of the Rectory driveway off Smithy Loan, has to be strictly restricted to those with limited mobility, though temporary vehicle access is allowed for the purpose of carrying equipment into the Hall.

In advance of using the accommodation, you will be given a code for the keypad to the left of the front door together with instructions about the operation of the doors.

Terms and Conditions for use of the accommodation, are available in the adjacent tab on the website: www.stmarysdunblane.org or by e-mail from the Hall Co-ordinator: Peter Holmes at peterholmes257@btinternet.com or by phone: 07801 989938

If you wish to make a booking, you should contact the Hall Co-ordinator Peter Holmes: at peterholmes257@btinternet.com or by phone: 07801 989938
